CURRENT SWITCH CS Series

Precision power control/sensing

FEATURES:

- Solid Core
- Go/No Go or Field adjustable models
- Adjustable setpoint (CS-610-200) potentiometer
- Up to 200 amps input current
- Self-powered
- Add-on Command relay option

Piece of mind through reliable current monitoring

DESCRIPTION:

The CS series current switch monitors line current for electrical loads such as pumps, conveyors, lighting, heating or fan and closes the output contacts when the trip point is exceeded. The CS-GnG-200 has a factory set trip point of 0.75 Amps to provide Go/No Go status operation. The CS-610-75 has a trip setpoint that is adjustable between 1 to 200 Amps by rotating the adjustment potentiometer.

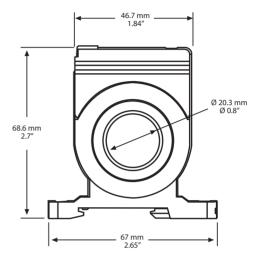

The sensor requires no external power as it is totally powered by induction from the AC line being monitered. The switch output is normally open and when the input current exceeds the trip setpoint, the switch closes to provide an on/off digital signal to the controller.

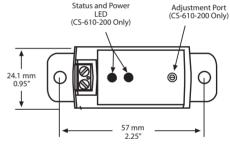

SPECIFICATION:

Current Setpoint:
Maximum Input Current:
Von @ 24 Vdc at 500mA: Frequency: Response Time: Insulation Class: Operating Temperature:
Operating Humidity: Terminal Block: Dimensions:
Sensor Aperture: Enclosure Material: Agency Approvals:

Fixed at 0.75 Amps (CS-GnG-200) 1 to 200 Amps (CS-610-200) 200 Amps continuous Self-powered Solid-state mosfet Normally open 30 Vac/dc, 500 mA Max. Power and Status LED (CS-610-200 Only) $< 50 \, \text{mV}$ 50/60 Hz 200 mS Typical 600 Vac, insulated conductors -15 to 60 °C (5 to 140 °F) - (CS-GnG-200) -15 to 50 °C (5 to 122 °F) - (CS-610-200) 5 to 90% RH non-condensing 14 to 22 AWG 68.6 x 67 x 24.9 mm (2.7 x 2.65 x 0.95 in) 0.8 in (20.3 mm) ABS/PC, UL94 V-0

Greystone Energy Systems Inc. is one of North America's largest ISO registered manufacturers of HVAC/R sensors and transmitters for Building Automation Management Systems. We have conscientiously established a worldwide reputation as an industry leader by maintaining leadingedge design technology, prompt technical support, and a commitment to on-time deliveries. We take pride in our Quality Management System which is ISO 9001 certified, assuring our customers of consistent product reliability.
