Subject: Notice of Relocation and Updated Business Address

Dear Supplier,

Effective **May 20th 2025**, **Greystone Energy Systems** will be relocating to a new LEED certified facility in the Greater Moncton Area.

In preparation for the move, we would ask that you update all delivery information for Greystone orders to ensure they are delivered to the proper address. All other forms of communication (e-mail, phone) will remain the same.

**** Orders delivering before May 20th will continue to deliver to our current address (150 English Dr, Moncton NB Canada, E1G 4G7)**

**** Orders delivering after May 20th, we ask that you update your records to use the new address below:**

New address effective May 20th, 2025
