INTERACTIVE CATALOGUE - INSTALLATION INSTRUCTIONS

Thank you for downloading Greystone's interactive catalogue.
To use Greystone's interactive catalogue, Adobe Acrobat Reader is required.

Installation on computer:

1. Click "Download" link to start the download process. The file size is approximately 218 MB.
2. Once download is complete, create a new folder in a convenient location and name it "Catalogue".
3. Search system for a file named "Catalogue.zip"
4. Once located, right-click on the zip file and select Open with Windows Explorer.
5. A new Windows Explorer window will open and a folder called "Catalogue" will be present.
6. Move or copy/paste the Catalogue folder to the previously created "Catalogue" folder.
7. Open the Catalogue folder to find the file called "GESElectronicCatalog.pdf"
8. Double-click the GESElectronicCatalog.pdf file to use the Interactive Catalogue.
9. If a desktop shortcut is desired, right-click on the GESElectronicCatalog.pdf file and select: Send to Desktop (Create shortcut)
10. The downloaded "Catalogue.zip" may be deleted.

To obtain a copy of Greystone's price list, or if you have questions about installing our interactive catalogue, please contact your Area Sales Manager.
